

## Special webpages

Special webpages have been published for the purpose of introducing information on nuclear disasters gathered by the JRCS to the public in a simple manner. The subjects have been about JRCS's relief activities during the Fukushima Daiichi accident, JRCS's recovery programs and collaboration with the IFRC, etc. More special webpages will continue to be presented with new subjects. The main special webpages that have been published are as follows:

- [Fukushima Daiichi Nuclear Power Plant Accident & Red Cross Support Activities](#)
- [Messages from Relief Team Staff - Fukushima RC Hospital -](#)
- [Messages from Relief Team Staff 2 - Nagaoka & Nagahama RC Hospitals -](#)
- [Photo Gallery - Assistance for Re-entry to the Restricted Areas –](#) (only in Japanese)
- [JRCS Fukushima Chapter Recovery Program](#)
- [Red Cross Smile Park](#)
- [Efforts for nuclear disaster preparedness by the IFRC](#)
- [Third Reference Group Meeting on Nuclear & Radiological Emergency Preparedness](#)
- [Fourth Reference Group Meeting on CBRN Preparedness](#)

## Red Cross Nuclear Disaster Seminars

The seminars are organized to share information and efforts about nuclear disasters with people in/outside the JRCS. Each seminar has had a theme and invited people relating to the theme. The past seminars have been reported on each webpage. The following four seminars have been held so far:

- [1<sup>st</sup> seminar: Radiation emergency medical care/JRCS relief activities during the Fukushima Daiichi accident and future challenges](#)
- [2<sup>nd</sup> seminar: "For an inescapable day in the future -What we, high school students, can do now-"](#) (only in Japanese)
- [3<sup>rd</sup> seminar: Health Assistance for Nuclear-Disaster Affected People](#)
- [4<sup>th</sup> seminar: "Forever remembered" -What we can do as possible affected people in the future?-](#)
